Private Contract for Farm Products and Services

This contract outlines the details and involvement of a member (The Buyer) and the owner at Kohut Farm; Rick Kohut (The Seller) within this private contract. The purpose of the contract is to provide an honorable private mutual agreement for exchanging goods and services between individuals. An annual fee of $1 Canadian Dollar is required to activate and stay current with the following private contract.

Member Acknowledgements

a) I am voluntarily engaging with Rick Kohut of Kohut Farm as a private individual by referral or private relationship, and not as an agent of the state
b) I am not acting under the authority of, or in cooperation with any public organization
c) I am not performing a governmental function or implementing a governmental policy or program
d) I am not engaging with, or responding to, any public offer for goods or services.

Details

_____ ("**The Buyer**") and Rick Kohut ("**The Seller**") agree as follows:

1. Upon signing and submitting this contract **The Buyer** becomes a private member and has an active contract with **The Seller** as a private individual (not as a member of the public).
2. **The Seller** agrees to sell farm products and services to members such as, but not limited to; grains, vegetables, livestock, livestock products, hay, livestock feed, feed additives, consulting and provide services to produce the products for sale, such as; seeding, mixing, grinding, rolling, loading, packaging and processing to **The Buyer**.
3. **The Seller** agrees to produce products based on organic and regenerative farming principles with emphasis and priority on soil health, biodiversity and local community building.
    a. No genetically modified or genetically engineered seeds such as GMO corn, GMO soy or any other GMO products.
    b. No soy products
    c. Uses organic farming principles and soil regeneration practices such as minimum to no tillage, intercropping, poly-cropping, biodynamic alignment, lunar cycle planting, rotational grazing.
    d. Farming techniques are used for the purpose of improving soil health, longevity, nutrient density and quality of food products.
4. **The Buyer** can obtain product availability and pricing either by direct contact (in person, phone or text) with **The Seller** or through private email. The Buyer realizes that products are seasonal and are subject to change based on various farming conditions, etc. Seasonal email communication of product availability will be provided to private members as well as an updated members price list.
5. The small bags used for bagged feed products are non-returnable and there is no extra charge or deposit for them. Large tote bags are returnable if they are kept in good condition (determined by The Seller) at the time of return. Otherwise large tote bags are sold at a price of $20 each to **The Buyer**.

I acknowledge everything on page 1 of this contract: _____ (Initials)

Private Contract for Farm Products and Services

6. **The Buyer** agrees to pay for products and services at the time of pickup or at the time of services rendered at the price or value agreed to based on the Kohut Farm Seasonal Price List unless otherwise agreed to. Payments can be made in cash, E-transfer, silver or gold bouillon, BTC (Bitcoin), XMR (Monero) or by trade if agreed to prior to pickup.
7. E-transfer payments can be sent to: rickkohut@protonmail.com password answer: private
8. Orders for products from **The Seller** can be made through phone, email, text or in person. It is expected that orders will be made in advance so that adequate time is allowed to prepare orders.
9. **The Buyer** is aware of the inherent risks associated with raising and feeding animals grains, forages, natural additives, etc. The health and safety of **The Buyer** and property of **The Buyer** (livestock or pets) is not the responsibility of **The Seller**. **The Buyer** assumes all risks associated with feeding, offering or consumption of any products or services purchased or obtained from **The Seller**.
10. **The Buyer** agrees that he/she is personally assuming liability. This relieves **The Seller** and any worker or volunteer at Kohut Farm of this responsibility and/or liability.
11. **The Buyer** may visit the premises to observe the process of making products and the care, maintenance of the crops, livestock, soil, feeds, etc. by appointment with **The Seller**.
12. **The Buyer** warrants that all feed products obtained are for his/her own personal use with his/her animals as an owner and for no other purpose.
13. If **The Buyer** wishes to terminate this contract he/she must notify the Seller in writing.
14. The right to terminate or change this contract at any time belongs to **The Seller**.
15. This contract is a lawfully binding agreement in the Provinces of Alberta, B.C., and Saskatchewan.

This agreement does not constitute or represent the public sale of any product or service. By signing this contract **The Buyer** is entering into a private contract with **The Seller**.

I have read and understand the member acknowledgements and details of this agreement completely.
